On February 23, 1954, Messrs. Edward Duffey and Frank Schroeder of the Jenner Committee requested name checks on seven individuals. One of these was E. Franklin Frazier whose name appears on the letterhead as a member of the Board of Directors of the Southern Conference Educational Fund, Inc., which was formerly the Southern Conference for Human Welfare, cited as a Communist front by the House Committee on Un-American Activities.

Edward Franklin Frazier was born September 24, 1894, at Baltimore, Maryland. He received an A.B. degree from Howard University, Washington, D. C.; an M.A. degree from Clark University, Worcester, Massachusetts; and a Ph.D. degree from the University of Chicago. Frazier has also studied abroad at the University of Copenhagen in Denmark. He has been employed since 1934 as Professor and Head of Sociology, Howard University. In 1942 he served as a consultant on Negro studies at the Library of Congress, and from December, 1951, to June, 1953, he was granted leave to accept a position with the United Nations Educational Scientific and Cultural Organization (UNESCO). Frazier was reported to have left UNESCO in September, 1953, and to have resumed his duties at Howard University.

Frazier was the subject of an Internal Security - Hatch Act investigation in 1942, and during the Summer of 1953 an investigation under Executive Order 10422 was instituted when he was employed with UNESCO. This investigation was terminated when the State Department reported that he left UNESCO in September, 1953. The referenced investigations reflect that Frazier has been affiliated with fifteen organizations cited by the Attorney General and with seven organizations described by the House Committee on Un-American Activities as Communist front groups. In addition, Dr. Frazier has made statements and signed petitions protesting against any curtailment of civil rights for Communist Party members.

Information concerning Frazier has been appropriately disseminated.

E. FRANKLIN FRAZIER
TESTIMONY BEFORE SUBCOMMITTEE TO
INVESTIGATE THE ADMINISTRATION OF
THE INTERNAL SECURITY ACT AND OTHER
INTERNAL SECURITY LAWS OF THE COMMITTEE
ON THE JUDICIARY; U.S. SENATE (EASTLAND
COMMITTEE) VOLUME 349
MARCH 30, 1955, EXECUTIVE SESSION

Stenographic transcript of captioned testimony received
from Eastland Committee. Photostats made and original returned to
Committee. Executive Session testimony may not be disseminated and
Photostats so marked.

E. Franklin Frazier, 320 Rhode Island Avenue, N. E.,
Washington, D. C., testified before the Eastland Committee on
March 30, 1955. Frazier was a cooperative witness and testified
generally concerning his background, education, and his connect-
with numerous Communist front groups.

The testimony presents no new information and there does
not appear to be any action called for by the Bureau based on the
information contained therein.

Frazier was the subject of an Internal Security-Watch A
investigation conducted in 1942. In 1953 an investigation under
Executive Order 10422 was initiated when he was employed with UNRRA
and terminated in September, 1953, when information was received
that he had left UNESCO. The investigations reflect that Frazier
has been affiliated as a member, sponsor, supporter, speaker, or
signer of communications in behalf of fifteen organizations
designated by the Attorney General of the United States pursuant
to Executive Order 10450, and seven organizations cited by
Congressional Committees on Un-American Activities as Communist
fronts. Frazier is not on the Security Index. (101-1603; 138-825)

[REDACTED]

BACKGROUND:

Frazier has been head of the Sociology Department at Howard University for many years. He was subject of Internal Security-Hatch Act investigation in 1942. In 1953 an investigation under Executive Order 10422 (UN Loyalty Program) was initiated when he was employed by UNESCO and terminated in September, 1953, when information was received he had left UNESCO. A supplemental investigation is being initiated at CSC's request as Frazier is now being considered for additional UNESCO employment. Previous investigations show he has been affiliated as member, sponsor, supporter, speaker, or signer of communications in behalf of fifteen organizations designated under Executive Order 10450 and seven organizations cited by congressional committees as communist fronts.

An examination of the archives of the "Honolulu Star-Bulletin," a daily newspaper of Honolulu, revealed an article in that paper under date of July 23, 1954, reporting that Dr. FRANKLIN FRAZIER, Head of the Department of Sociology of Howard University, had been named to head an International Society for the Scientific Study of Race Relations. The newspaper article stated that the aforementioned organization was an outgrowth of a Conference on Race Relations at Honolulu that had closed that date.

On June 27, 1961, [redacted], Commission on Subversive Activities, Legislature, State of Hawaii, reported the only information in his files concerning the activity of Dr. FRAZIER in Hawaii was a notation dated September 1953 to the effect that the Ford Foundation, in 1954, would finance a Conference on Race Relations to be held in Honolulu in 1954 and to be sponsored by the Universities of Hawaii, California and Chicago. Dr. FRAZIER, of Howard University, at that time was reported to be planning to attend the conference. [redacted] stated the files of his office did indicate that FRAZIER had never been employed by the University of Hawaii.

On June 28, 1961, Dr. [redacted] [redacted] University of Hawaii, reported that, to his knowledge, Dr. FRAZIER had only been in Honolulu to attend a Race Relations Conference held in the summer of 1954. [redacted] stated that, at that time, he had been away from Hawaii and had never met applicant.

[redacted] [redacted] University of Hawaii, on June 28, 1961, reported that Dr. FRAZIER and his wife had been in Hawaii for perhaps only three weeks during the summer of 1954 and during their stay had lived at the Islander Hotel in Waikiki. Dr. FRAZIER had attended a Conference on Race Relations, entitled "Race Relations in World Perspective." [redacted] stated that some 40 persons from all over the world had attended. [redacted] [redacted] now in Thailand, and [redacted] presently in India, had represented the University of Hawaii.

HN 138-123

[] stated that his only contact with FRAZIER had been at the Conference. [] stated he realized that FRAZIER is sometimes considered a controversial figure because he expresses his convictions strongly. He stated that he would describe the man as outspoken, but he recalled that there was nothing in any of FRAZIER's remarks or expressed opinions given during the Conference that would lead one to doubt his loyalty.

[] stated that FRAZIER had been selected by the Conference to head up a world-wide organization for the study of race relations, but he believed that nothing has been accomplished by the organization, probably due to lack of funds.

On June 27, 1961 [], and [], District Intelligence Office, 14th Naval District, reported the files of their respective offices contain no pertinent information concerning any activities of FRAZIER in Hawaii.

A copy of this report is being furnished to Washington Field Office for information since FRAZIER resides in Washington, D. C.

Inasmuch as the various communications in the files of the New Orleans Office showed that the applicant was a member of the Board of Directors of the SCEF from the years 1954 to date, it was deemed repetitious to submit copies of each letter as an exhibit; therefore, the most recent letter from the SCEF, dated 3/1/61, which contains the name of the applicant as a member of the Board of Directors, was copied and submitted as an exhibit. It is also noted FRAZIER indicated membership in SCEF on his Identification and Personal Data Sheet.

SOUTHERN CONFERENCE EDUCATIONAL FUND, INC.

"The Southern Patriot," a monthly publication, shows that it is published by the SOUTHERN CONFERENCE EDUCATIONAL FUND, INC. (SCEF).

"The Southern Patriot" was cited as an "organ" of the SOUTHERN CONFERENCE FOR HUMAN WELFARE (SCHW) by the Committee on Un-American Activities, House Report 592, on the SCHW, June 12, 1947.

The SCHW was cited as a communist front by the Committee on Un-American Activities, House Report 592, June 16, 1947.

An amendment to the charter of the SCHW changed the name of that organization to the SCEF, and listed its purpose as being to improve the educational and cultural standards of the Southern people in accordance with the highest American democratic institutions, traditions, and ideals. The amendment was dated April 26, 1946.

A source, who is familiar with some phases of Communist Party (CP) activity in the New Orleans area, advised on May 18, 1960, that during the time the SCHW was in existence, CP members were members of and worked actively in the SCHW. However, since the formation of the SCEF, rank and file CP members have not been encouraged to work in the SCEF. The source stated that the SCEF is a progressive, liberal organization, which he considers a CP front organization because it has gone along with the CP on certain issues, particularly on the racial question, and through the years, certain CP members in the New Orleans area have been assigned to work in the organization to further CP principles.

On May 18, 1960, the source advised that in the past, he has considered JAMES DOMBROWSKI, the Executive Director of the SCEF, to be a communist, if not an actual CP member, because he followed communist principles.

The source also advised on May 18, 1960, that many people who are officials and members of the SCEF, while liberal in their views, are by no means communists.

The CP-USA was designated by the Attorney General pursuant to Executive Order 10450.

The files of the House Committee on Un-American Activities reflect that the applicant was a member of the Board of Directors of the SCEF, based on letterhead of the SCEF in February, 1954, July, 1954, and January, 1960. These files also reflect that applicant was a signer of an open letter to the House of Representatives urging the House Committee on Un-American Activities to stay out of the South.

Lincoln U. Gives Patriot High Award

The pressure of events forced us to defer an expression of gratitude for an honor that is deeply appreciated. The Lincoln University School of Journalism has named the Southern Patriot as recipient of one of its annual awards for "Significant Contributions to Better Human Relations."

The Patriot, said the judging committee, "has been a monthly fearless spokesman for the rights of minorities in a territory where such voices are comparatively silent."

Other publications receiving like citations include Time magazine and the Chicago Daily News. John H. Johnson, publisher of Ebony, and John H. Sengstacke, publisher of the Chicago Defender, are also to be honored for "Outstanding Performance in Journalism" at ceremonies to be held in Jefferson City, Mo., on April 22.

We are moved by this tribute and this distinguished company to apologize for the Patriot's shortcomings. The hopeful side of the South is our editorial province, but—thank God—so much good is happening that all our best efforts and those of our beloved correspondents cannot report but a portion of it.

To our subscribers belongs the credit for any contribution that has been made to human relations. Without the feeling of confidence their militance imparted, the editorial pen would often have faltered.

Negro Leaders Send Protest to Jenner

Thirty-three Negro leaders from 15 southern states and the District of Columbia last week submitted and open letter to Senator William E. Jenner condemning his attack on the Southern Conference Educational Fund as "an attack upon the Negro community of this nation".

The signers of the letter include men and women prominent in the fields of Negro education, medicine, business, and religious leaders.

Their open letter to Senator Jenner follows:

Dear Sir:

In the opinion of the undersigned, the action of your subcommittee against the Southern Conference Educational Fund, Inc. is an attack upon the Negro community of this nation.

This organization has spearheaded the fight against segregation in the south. When your statements and those of your fellow committee members smear the Fund's leadership, you are also disparaging the hopes and ambitions of the Negro people.

It is ridiculous to impute disloyalty of the Southern Conference Educational Fund. Its board of directors, composed equally of whites and Negroes, includes many distinguished civic leaders in southern states. Its sole concern throughout the years has been with the evil effects of racial segregation in education, hospital services, transportation, and other public facilities. Its goal of harmoniously ending all racial barriers is our goal. . . .

A N O P E N L E T T E R

TO THE U. S. HOUSE OF REPRESENTATIVES

We are informed that the Committee on Un-American Activities of the House of Representatives is planning to hold hearings in Atlanta, Georgia, at an early date.

As Negroes residing in Southern states and the District of Columbia, all deeply involved in the struggle to secure full and equal rights for our people, we are very much concerned by this development.

We are acutely aware of the fact that there is at the present time a shocking amount of un-American activity in our Southern states. To cite only a few examples, there are the bombings of the homes, schools, and houses of worship of not only Negroes but also of our Jewish citizens; the terror against Negroes in Dawson, Ga.; the continued refusal of boards of registrars in many Southern communities to allow Negroes to register and vote; and the activities of White Citizens Councils encouraging open defiance of the United States Supreme Court.

However, there is nothing in the record of the House Committee on Un-American Activities to indicate that, if it comes South, it will investigate these things. On the contrary, all of its activities in recent years suggest that it is much more interested in harassing and labeling as "subversive" any citizen who is inclined to be liberal or an independent thinker.

For this reason, we are alarmed at the prospect of this committee coming South to follow the lead of Senator Eastland, as well as several state investigating committees, in trying to attach the "subversive" label to any liberal white Southerner who dares to raise his voice in support of our democratic ideals.

It was recently pointed out by four Negro leaders who met with President Eisenhower that one of our great needs in the South is to build lines of communication between Negro and white Southerners. Many people in the South are seeking to do this. But if white people who support integration are labeled "subversive" by congressional committees, terror is spread among out white citizens and it becomes increasingly difficult to find white people who are willing to support our efforts for full citizenship. Southerners, white and Negro, who strive today for full democracy must work at best against tremendous odds. They need the support of every agency of our Federal Government. It is unthinkable that they should instead be harassed by committees of the United States Congress.

We therefore urge you to use your influence to see that the House Committee on Un-American Activities stays out of the South - unless it can be persuaded to come to our region to help defend us against those subversives who oppose our Supreme Court, our Federal policy of civil rights for all, and our American ideals of equality and brotherhood.

On February 27 the U.S. Supreme Court voted 5 to 4 to uphold the one-year prison terms given Carl Braden and Frank Wilkinson for contempt of the Un-American Committee.

The Court's refusal to validate the First Amendment rights of free speech and association, as Justice Black indicated in his dissent, is a serious setback to the integrationist movement. Now we can expect more Southern legislatures to resort to committees patterned on the HUAC, e.g. Un-Florida and Un-Louisiana Committees, to harass and frighten integrationists, under the guise of hunting subversives.

I am convinced that Monday's decision will be overturned and the minority opinion will become the majority because free speech and association, and the right to advocate integration without intimidation are deeply ingrained in the very nature of our democracy and without it freedom cannot survive.

Not all of us who oppose segregation will be called upon to go to jail like SCEF's Mr. Braden, but all of us can show our gratitude for his courage by sending a contribution to SCEF. We need funds for the expense of carrying his case to the Supreme Court and for the many projects which we have planned for 1961.

This is the anniversary month of your last contribution to the Fund. \$ 2.00 in March of 1960. We hope you will want to renew and, if you can, increase your gift now.

Sincerely,

Jim Dombrowski

On February 27 the U.S. Supreme Court voted 5 to 4 to uphold the one-year prison terms given Carl Braden and Frank Wilkinson for contempt of the Un-American Committee.

The Court's refusal to validate the First Amendment rights of free speech and association, as Justice Black indicated in his dissent, is a serious setback to the integrationist movement. Now we can expect more Southern legislatures to resort to committees patterned on the HUAC, e.g. Un-Florida and Un-Louisiana Committees, to harass and frighten integrationists, under the guise of hunting subversives.

I am convinced that Monday's decision will be overturned and the minority opinion will become the majority because free speech and association, and the right to advocate integration without intimidation are deeply ingrained in the very nature of our democracy and without it freedom cannot survive.

Not all of us who oppose segregation will be called upon to go to jail like SCEF's Mr. Braden, but all of us can show our gratitude for his courage by sending a contribution to SCEF. We need funds for the expense of carrying his case to the Supreme Court and for the many projects which we have planned for 1961.

This is the anniversary month of your last contribution to the Fund. \$ 2.00 in March of 1960. We hope you will want to renew and, if you can, increase your gift now.

Sincerely,

Jim Dombrowski

[] Carleton College, Northfield, Minnesota, advised that he recalls Dr. EDWARD FRANKLIN FRAZIER as a visiting professor in the field of sociology at Carleton from February to June of 1958. His acquaintanceship with FRAZIER was somewhat superficial being limited to faculty social affairs and brief visits on campus. Though FRAZIER was a very able man he came to the school more highly recommended than his performance at the school seemed to warrant. He was not a dynamic teacher and he geared his teaching below the Carleton student body level. [] regards FRAZIER as a man of high moral character, completely trustworthy and reliable. He never spoke nor acted in any way which would indicate sympathies inimicable to the best interests of the United States. [] recommended the applicant as worthy of a position of trust with the United Nations.

[], Carleton College, Northfield, Minnesota, advised on July 11, 1961, that he served on the committee of selection which arranged for Dr. EDWARD FRANKLIN FRAZIER to come to Carleton as a visiting professor in 1958. Dr. FRAZIER is able and well qualified in the field of Sociology. He is an individual of good character, pleasant to associate with, reliable and trustworthy. [] has no reason to believe that the applicant is not loyal to the democratic form of government, though he personally felt that FRAZIER did not work as hard as he could have while at Carleton. He recommended FRAZIER as being worthy of a position of trust and confidence.

[] Northfield, Minnesota, advised on July 11, 1961 that she recalls the applicant and his wife residing at 106 Nevada Street, directly behind and one

She described the FRAZIER'S as very high type people who possessed the qualities of good character and who enjoyed the respect of the community. They were delightful neighbors who were always agreeable and pleasant and who maintained a clean home. She is certain that they are both completely loyal to the democratic form of government, having been given no reason to feel otherwise. RESULTS OF INVESTIGATION

On July 11, 1961, Dr. JOHN H. FRANKLIN, Chairman, History Department, Brooklyn College, Bedford Avenue and Avenue H, Brooklyn, New York, advised that he has known the applicant since 1931. He said that he first met Dr. FRAZIER when he was a student at Fiske University and Dr. FRAZIER was a professor there. He said that subsequently both he and Dr. FRAZIER were on the staff of Howard University from approximately 1947 to 1956. He said that for a few years while Dr. FRAZIER was associated with the United Nations Educational, Scientific and Cultural Organization (UNESCO), he sublet the applicant's home in Washington, D.C. He said that he has continued a close professional and social relationship with the applicant since that time.

Dr. FRANKLIN stated that he has the highest regard for the applicant. He described him as a man of fine character, personal habits and moral conduct. He said that Dr. FRAZIER enjoys a wonderful reputation in the educational field. He said that in his opinion, Dr. FRAZIER is completely loyal to this country and has never shown or expressed any sympathy for Communism or Fascism.

Dr. FRANKLIN stated that the applicant is sufficiently sophisticated so that he would not be "taken in" by Communist or Communist front organizations. He said that he believes that Dr. FRAZIER would have the ability to recognize such organizations for what they were, and he would not participate in such organizations. He said that it would be quite possible for Dr. FRAZIER to be interested in movements to

secure a more complete democracy regardless of race. He said that if the Communist Party were to also espouse such a cause, it would not make Dr. FRAZIER change his opinion. He said that Dr. FRAZIER has over a period of time supported such causes. He said that in his opinion Dr. FRAZIER is too independent to accept regimentation or any control on his personal beliefs.

Dr. FRANKLIN stated that in many discussions with Dr. FRAZIER, the applicant has always taken a staunch position in support of this form of government. He said that in his own experience, he has found Dr. FRAZIER to be completely trustworthy and he believes that he would handle confidential information in a proper manner.

Dr. FRANKLIN concluded by recommending the applicant without any reservation or qualification for a responsible position of interest to the United States Government.

On March 1, 1956, [] furnished a letter dated February 11, 1956, on the stationery of the NCRMA listing Professor E. FRANKLIN FRAZIER, not further identified, as an initiator of the NCRMA.

On January 22, 1954, [] furnished material mailed by the National Council of the Arts, Sciences and Professions (NCASP). This material listed Professor E. FRANKLIN FRAZIER, Washington, D.C., as a sponsor of a "Statement of Principles for the Defense of Democracy."

The statement reads as follows:

"The spirit of intolerance is abroad in our land.

"Congressional committees, in the guise of 'investigations', have conducted a systematic persecution of people for their political beliefs and associations. The time-honored principle that a person is innocent until proven guilty has been discarded in favor of a procedure which imputes guilt and imposes punishment without trial.

"Minority opinion is being suppressed by such devices as blacklisting, dismissal from employment, and even jailing for 'conspiracy to teach and

(U)

~~CONFIDENTIAL~~ (U)

"'advocate' a minority viewpoint on social affairs.

"Books are banned because of the political views of their authors. Works of art are threatened with destruction. Artists and scientists with minority views are prevented from traveling abroad by an arbitrary withholding of passports. Ministers are pilloried and smeared for joining in social welfare movements. A congressional committee has set itself up as judge of what should be the content of a textbook on medical practice.

"By no stretch of the imagination can actions such as these be justified as a defense of democracy. On the contrary, they constitute an assault on our basic freedoms. Unless checked in time they will extend the 'black silence of fear' to all areas of American life and destroy the democracy we are striving to preserve and develop.

"To safeguard our democratic heritage we call upon all people to affirm their support of the following principles and goals, and to work actively for their realization:

"I. The essence of democracy is freedom for the people to choose among competing political programs. To prescribe any viewpoint and impose discriminatory disabilities on its advocates, such as imprisonment or dismissal from employment, means the abolition of freedom of choice, an infringement of the sovereign power of the electorate, and the end of full democracy.

"II. The free exchange of ideas is the life blood of the democratic process. The banning

"or burning of books, the denial of meeting halls, the persecution of editors of minority publications, and interference with freedom of travel by arbitrary visa and passport restrictions, are inconsistent with freedom of thought and association.

"III. Teachers, lawyers, doctors, writers, artists, actors and other professionals should be free to practice their professions without discrimination because of their political beliefs or associations, whether they be Republican, Democrat, Socialist or Communist. People should be judged in their professions by their professional performance.

"To make possible a return to these basic principles, we urge

"1. Abolition of the Attorney-General's list of 'subversive organizations.'

"2. Repeal of the Smith Act, the Mc Carran Internal Security Act, the Taft-Hartley Act, the Feinberg Law, and all similar state and federal legislation that violates the letter and spirit of the Bill of Rights.

"3. Abandonment by Congress of the misuse of its power to investigate as the basis for legislation, and the distortion of this power into inquisitorial probing into the beliefs, opinions and political affiliations of individuals.

"4. The reinstatement of teachers dismissed because of actual or alleged membership in

"the Communist party or any other political organizations, or refusal to answer questions about alleged membership.

"5. Cessation of the blacklisting of artists, writers, actors, musicians, etc., because of their political beliefs.

"6. Discontinuance of any bans on books in schools or libraries because of the political views expressed in the books or held by the authors.

"7. Abandonment of passport and visa restrictions imposed because of political beliefs and associations.

"8. Amnesty for those now in jail on charges of 'conspiracy to teach and advocate' their political views."

During the course of another investigation, E. FRANKLIN FRAZIER advised Special Agents of the FBI in August, 1954, that he became a member of the Council of African Affairs in the early 1940s. Dr. FRAZIER advised that his recollection is vague as to the exact date he became a member of this organization. FRAZIER stated that he did not recall ever attending a meeting of this organization, although he never formally resigned from the organization.

FRAZIER recalled that he became a member of the Council of African Affairs after reading their literature because he felt that the purpose of the organization was to assist in the ~~work~~ of human freedom. FRAZIER recalled that he had read that there was a struggle in the Council in which MAX YERGAN and PAUL ROSENBERG were attempting to control the organization. COORDINATING COMMITTEE FOR THE ENFORCEMENT
OF THE D. C. ANTI-DISCRIMINATION LAWS,
also known as
The 1872 Committee

According to a booklet entitled, "An Eighty Year Wait," published in 1953 by the Coordinating Committee for the Enforcement of the D. C. Anti-Discrimination Laws, in May, 1949, seven attorneys of the District of Columbia Chapter of the National Lawyers Guild made a study of old anti-discrimination laws and pointed out that since the laws had not been repealed, they were still alive. As a result, a group of citizens representing many religious, labor, and civic groups met to determine what they could do to bring about the enforcement of these laws. Thus, the Committee was formed, with Dr. Mary Church Terrell, prominent Washington, D. C., Negress, as the Chairman.

A source on August 29, 1952, reported that members of the Communist Party (CP) in Washington, D. C., had been urged to participate in affairs and activities of this Committee, and William Johnson, identified by this source as a CP member, had criticized CP members for not taking a more active part in the Committee's activities.

This source on January 11, 1954, stated that as of this date, the Coordinating Committee for the Enforcement of the D. C. Anti-Discrimination Laws was infiltrated by the CP, but was not actually controlled by the CP.

On February 6, 1957, a second source advised that in the latter part of 1955, following the achievement of the objectives of this Committee, the Executive Board decided that this Committee should become inactive rather than disband. This source continued that, since that time, the Executive Board has met on approximately three occasions, but that this Committee has sponsored no activity whatever. The source continued that this organization presently exists on a stand-by basis.

This source on May 15, 1961, reported that this organization continues to exist on a stand-by basis.

The National Lawyers Guild is characterized separately in the appendix.

SOUTHERN CONFERENCE FOR HUMAN WELFARE

The Southern Patriot, a monthly publication, shows that it is published by the SOUTHERN CONFERENCE EDUCATIONAL FUND, INC. (SCEF).

The Southern Patriot was cited as an "organ" of the SOUTHERN CONFERENCE FOR HUMAN WELFARE (SCHW) by the Committee on Un-American Activities, House Report 592, on the SCHW, June 12, 1947.

The SCHW was cited as a communist front by the Committee on Un-American Activities, House Report 592, June 16, 1947.

An amendment to the charter of the SCHW changed the name of that organization to the SCEF, and listed its purpose as being to improve the educational and cultural standards of the Southern people in accordance with the highest American democratic institutions, traditions, and ideals. The amendment was dated April 26, 1946.

A source, who is familiar with some phases of Communist Party activity in the New Orleans area, advised on May 18, 1960, that during the time the SCHW was in existence, Communist Party (CP) members were members of and worked actively in the SCHW. However, since the formation of the SCEF, rank and file CP members have not been encouraged to work in the SCEF. The source stated that the SCEF is a progressive, liberal organization, which he considers a CP front organization because it has gone along with the Communist Party on certain issues, particularly on the racial question, and through the years, certain CP members in the New Orleans area have been assigned to work in the organization to further CP principles.

On May 18, 1960, the source advised that in the past he has considered JAMES DOMBROWSKI, the Executive Director of the SCEF, to be a Communist, if not an actual Communist Party member, because he followed communist principles.

The source also advised on May 18, 1960, that many people who are officials and members of the SCEF, while liberal in their views, are by no means communists.

The CP-USA has been designated by the Attorney General pursuant to Executive Order 10450.
